# **Annual Report**

## **Town of Rindge New Hampshire**

**For the year ending December 31, 2004**

# 2004 Annual Report

is dedicated to

**Robert C. “Bob” Hudson**  
**1920 - 2004**

Bob Hudson passed away on April 9, 2004, after an extended illness. Bob was a resident of Rindge for over two decades, and was very active in the community. He served as a Trustee for the Ingalls Memorial Library, worked at the polls for many elections, and founded the “Rindge Consortium,” a collection of photographers who enjoyed sharing their art with the community. Bob enjoyed sailing and belonged to the Monomnock Lake Sailing Association; he also participated in many of the Recreation Department’s activities. As the husband of long time Town Treasurer, Adrienne Hudson, Bob was a frequent visitor to the Town Offices. He offered a friendly smile, and often, a funny story. Bob has been dearly missed by all who knew and loved him.

# Vision Statement

Rindge is a community committed to managing the balance between the collective vision of its residents, the dictates of its environment, and its commercial needs. We will accomplish this by relying on individual diversity and active participation of all community segments in preserving the town's natural assets and small town, rural flavor.

## **Mission**

We demonstrate commitment and support of our vision for the community, its natural resources, commercial, residential, and environmental needs by...

- encouraging each member of the community to participate in and support town committees, organizations and their related activities.
- providing activities for a wide cross-section of our community that promote inclusion discussion, and communication, including periodic forums such as the Rindge Community Profile.
- conserving and managing our natural resources through the thoughtful and deliberate support of updating our Master Plan, consistent implementation of Town Meeting decisions related to zoning, conservation and other related activities.
- supporting and encouraging the development of locally owned farms, businesses and cottage industries through local incentives, information exchanges and exhibits.
- preserving and promoting the history, lore, traditions, and arts and crafts of our community.
- planning for the growth and development of quality services to support our community such as education, social services, fire, police, highway, and recreation departments.
- establishing and maintaining a cooperative open partnership between business, civic, non-profit, religious, educational, and town interests through regularly scheduled opportunities for dialogues.
- continuing to foster business development by proactively attracting businesses and industries that will work in a cooperative partnership with the town.

# Town Warrant 2005

To the inhabitants of the Town of Rindge, in the County of Cheshire, State of New Hampshire, qualified to vote in the Town Affairs.

You are hereby notified to appear at Rindge Memorial School Auditorium on School Street, Rindge Center in said Rindge on Tuesday, the 8<sup>th</sup> day of March next, from 8:00 a.m. to 7:00 p.m. to choose all necessary Town Officers and School District Officers for the ensuing year, and to vote on such matters as may appear on the ballot.

The Business Meeting will be called to order at 7:30 p.m. to act upon the following subjects:

## Articles

1. To choose all necessary Town Officers for the year ensuing. (By Official Ballot)

Selectman:	3 Years – One Position
Tax Collector:	3 Years – One Position
Town Clerk:	3 Years – One Position
Treasurer:	3 Years – One Position
Trustee of Trust Funds:	3 Years – One Position
Planning Board:	3 Years – Two Positions
Planning Board:	1 Year – One Position
Budget Advisory Committee:	3 Years – Two Positions
Budget Advisory Committee:	1 Year – One Position
Overseer of Welfare:	1 Year – One Position
Town Constable:	1 Year – One Position
Library Trustee:	3 Years – One Position

2. Are you in favor of amending the Zoning Ordinance of Rindge as proposed by the Planning Board and printed as follows: (By Official Ballot)

ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 1 AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN OF RINDGE ZONING ORDINANCE AND GENERALLY DESCRIBED AS FOLLOWS: Adopt the *International Residential Code for One and Two Family Dwellings published by the International Code Council* per RSA 674:51-a "Local Adoption of Building Codes by Reference" for one and two family dwellings specific to framing and foundations.

THE PLANNING BOARD RECOMMENDS THIS AMENDMENT BY A VOTE OF 6 IN FAVOR AND 1 OPPOSED.

ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 2 AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN OF RINDGE ZONING ORDINANCE AND GENERALLY DESCRIBED AS FOLLOWS: Amend the Impact Fee Ordinance as follows: *Section A – Purpose.* Delete lines #3, 5 and 6 ; *Section D Standards and Methodology for Assessment #3* Add No impact fee assessment schedule, methodology of assessment or amendment to such methodology shall be adopted by the Planning Board until it has been the subject of a public hearing. *Section E. Waivers.* Add #3. The Planning Board may agree to waive all or part of an impact fee assessment for Student Housing as defined in Article XVI (24) of the Rindge Zoning Ordinance. And Add #4. The Planning Board may agree to waive all or part of an impact fee assessment for affordable housing based on income. *Section F – Administration.* #3 End line after "Certificate of Occupancy" delete remainder of #3 to remain consistent with State Statute per RSA 674-21, V. *Section H – Appeals #2* Delete sentence as appeals may be made through the Zoning Board of Appeals.

THE PLANNING BOARD RECOMMENDS THIS AMENDMENT BY A VOTE OF 5 IN FAVOR AND 2 OPPOSED.

ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 3 AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN OF RINDGE ZONING ORDINANCE AND GENERALLY DESCRIBED AS FOLLOWS: To amend Article VII-A Commercial District: Uses Permitted : Add #3 All buildings shall be limited in size to a maximum of 75,000 square feet in gross floor area."

THE PLANNING BOARD RECOMMENDS THIS AMENDMENT BY A VOTE OF 5 IN FAVOR AND 2 OPPOSED.

ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 4 AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN OF RINDGE ZONING ORDINANCE AND GENERALLY DESCRIBED AS FOLLOWS: To amend Article VIII Business–

Light Industry: Uses Permitted: Add #3 All commercial buildings as identified in Article VII-A (1) (a-s) shall be limited in size to a maximum of 75,000 square feet in gross floor area.

THE PLANNING BOARD RECOMMENDS THIS AMENDMENT BY A VOTE OF 5 IN FAVOR AND 2 OPPOSED.

3. Shall we adopt the provisions of RSA 40:13(known as SB 2) to allow official ballot voting on all issues before the Town of Rindge on the second Tuesday of March? (By petition)(Not recommended by the Board of Selectmen, 2 in favor, 1 abstained)

4. To see if the Town will vote to direct the Selectmen to investigate and prepare a warrant article for an expansion of the Town's DPW facilities for a cost not to exceed one million dollars, such warrant article to be presented for approval by the Town at the March 2006 Annual Town Meeting. (Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee)

5. To see if the Town will vote to raise and appropriate five hundred thousand dollars (\$500,000) (gross Budget) for the purchase of land or other property interests for Community Facilities or for the protection of the natural heritage and rural character in the best interest of the town including any buildings or structures incidental to such lands, and to authorize the issuance of not more than five hundred thousand dollars (\$500,000) of bonds, in accordance with the provisions of the Municipal Finance Act, (RSA 33:1 et esq., as amended), and further, to authorize the selectmen to issue, negotiate, sell and deliver said bonds and to determine the rate of interest thereon and the maturity and other terms thereof and to take any other action they deem appropriate to effectuate the sale and or issuance of said bonds, subject, however, to the following limitations:

No such bonds shall be issued earlier than July 1, 2005.

Any of such bonds shall have appropriate terms and maturities such that no principal or interest payments shall become due and payable prior to January 1, 2006 and

No such bonds shall be issued with a term of maturity of less than fifteen (15) years.

Provided further that the Selectmen shall not issue such bonds until such time as they have presented to either an annual or special town meeting a warrant article asking the meeting to ratify by a simple majority vote the particular parcel, building and the parcel or building ownership interest chosen by the Selectmen for purchase and said meeting has approved such warrant article.

This article will lapse on December 31, 2005, in other words the authority to raise funds will no longer exist under this article.

This is a Special Warrant Article and is intended to be non-lapsing as to any purchase that has been ratified or special town meeting held prior to December 31, 2005. Pursuant to RSA 33:8 a supermajority of two thirds (2/3) ballot is required to adopt this article. (Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Not recommended by the Budget Advisory Committee.)

6. To hear and act upon the reports of the Selectmen, Town Treasurer, Town Clerk and reports of all agents, committees and officers hereto chosen.

7. Shall the Town vote to raise and appropriate the sum of two million eight hundred seventy-five thousand nine hundred seventy-four dollars (\$2,875,974) as posted, which represents the operating budget for the year 2005? Said sum does not include special or individual articles addressed. (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)

8. Shall the Town vote to raise and appropriate the sum of one hundred thirty-eight thousand one hundred dollars (\$138,100) to be added to the following funds previously established: forty-five thousand dollars (\$45,000) to be placed in the Fire Department Capital Reserve Account, thirty-one thousand five hundred dollars (\$31,500) to be placed in the Highway Department Capital Reserve Account, seventeen thousand dollars (\$17,000) to be place in the Municipal Buildings Capital Reserve Account, thirty-one thousand five hundred dollars (\$31,500) to be placed in the Library Capital Reserve Account, and thirteen thousand one hundred dollars (\$13,100) to be placed in the Revaluation Capital Reserve Account? (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)

9. Shall the Town vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to a previously established fund known as the Meetinghouse Maintenance Fund? (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)

10. Shall the town vote to raise and appropriate the sum of five thousand dollars (\$5,000) for the purchase of fireworks and other incidental expenses in connection with the planned July 4<sup>th</sup> Celebration to be held in the Town of Rindge? (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)
11. To see if the Town will vote to adopt the provisions of RSA 162-G entitled, "Acquisition, Development, and Disposal of Industrial Land and Facilities. It is the purpose of this Article to authorize the Town to foster and encourage the development of business and industrial facilities acting through a business and industrial development authority or a voluntary non profit corporation" or take any other action relating thereto. (Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee.)
12. Shall the Town vote to raise and appropriate the sum of six thousand two hundred and fifty dollars (\$6,250) to purchase an optical scan vote tabulating system? (Recommended by the Board of Selectmen, 3 in favor. Not recommended by the Budget Advisory Committee.)
13. To see if the Town will vote to authorize the Conservation Commission to negotiate with the Monadnock Conservancy, a regional land trust, or with a similar qualified conservation organization, such as the Society for the Protection of New Hampshire Forests, for the purpose of conveying conservation easements on land managed by the conservation commission. These easements, which will require final approval by the Board of Selectmen, will assure permanent enforceable protection of the Town's conservation lands at no cost to the taxpayer. The town will still retain ownership of the land. (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)
14. Shall the Town vote to raise and appropriate and authorize the withdrawal from the Capital Reserve Fund established for this purpose, Highway Department Equipment, the sum of thirty-five thousand dollars (\$35,000) for the purpose of purchasing a pick-up truck with a plow, and the sum of seven thousand dollars (\$7,000) to purchase a trailer. (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)
15. Shall the Town vote to raise and appropriate and authorize the withdrawal from the Capital Reserve Fund established for this purpose, the Transfer Station, the sum of twelve thousand dollars (\$12,000) for three large containers which will be used for recyclable items and one special container to be used to hold large metal items? (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)
16. Shall the Town vote to raise and appropriate and authorize the withdrawal from the Capital Reserve Fund established for this purpose, Municipal Buildings, the sum of forty-seven thousand dollars (\$47,000) for the purpose of preparing plans for a public safety building which includes, but is not limited to, a topographical and property boundary survey, wetland delineation and report, a subsurface investigation, a conceptual design, and related costs? This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the work is completed or by December 31, 2007, whichever is sooner. (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)
17. Shall the Town vote to raise and appropriate and authorize the withdrawal from the Capital Reserve Fund established for this purpose, the Town Library, the sum of twenty-five thousand dollars (\$25,000) for the purpose of preparing plans for the construction of a parking lot, driveway and septic system? (Recommended by the Board of Selectmen, 3 in favor. Not recommended by the Budget Advisory Committee.)
18. Shall the Town vote to raise and appropriate and authorize the withdrawal from the Capital Reserve Fund established for this purpose, Revaluation, the sum of one hundred thousand dollars (\$100,000) for the purpose of completing the revaluation project? This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the work is completed or by December 31, 2007 which ever is sooner. (Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)
19. Shall the town vote to adopt the following ordinance known as a Dumpster Ordinance?

**"ON-SITE WASTE STORAGE AND DISPOSAL ORDINANCE NO. \_\_\_\_.**

This ordinance, except as otherwise allowed herein, shall apply to Rindge property owners and managers of commercial and industrial properties that use Dumpsters for the temporary storage of waste materials until such waste is removed. Such owners and managers shall maintain their properties free of improperly stored solid or liquid waste accumulations. This Ordinance does not restrict commonly accepted activities of farms, junkyards, licensed metal recyclers, and salvage operations as permitted by state statute or local zoning.

**1) Dumpsters**

- a) A "dumpster" shall be defined as a covered waste container constructed to contain two (2) or more cubic yards of waste material usually, but not always, owned by a waste cartage company employed by the property owner or manager to remove the contents of the dumpster on a regular schedule or when needed.
- b) Every property owner or tenant shall use adequate dumpsters or other containers for temporary storage of solid and/or liquid waste until it is properly disposed.
- c) All dumpsters shall be of sound construction resistant to insect or animal entry, made with rust- and impact-resistant materials, and equipped with covers. The property owner shall be responsible to maintain the containers in a neat, clean, sanitary, and leak-free condition; if a commercial hauler supplies the container, the hauler shall be responsible for such maintenance.
- d) Liquid waste, in excess of five (5) gallons, may be stored only in tanks designed for the particular waste type stored therein. Containers shall have an appropriate child-safe design and be secure from unauthorized access.
- e) The property owner or tenant shall insure that contents of dumpsters are emptied or removed for disposal frequently enough to prevent nuisance odors. The property owner or tenant shall be responsible to assure that the dumpster capacity is not exceeded and that the covers remain closed.
- f) An appropriate location shall be provided for permanent placement of dumpsters. Dumpsters and other large exterior waste containers on commercial or industrial sites shall be located near service entrances and at the rear of buildings. Waste containers shall not be located in primary visual or heavily traveled pedestrian traffic areas.
- g) Waste containers shall not be located within ten (10) feet of combustible building walls or openings. Dumpster or other waste container pads may not be located on or within ten (10) feet of any public right-of-way and must be located at least twenty (20) feet from any inlet for stormwater collection. No Dumpster may be located within fifty (50) feet of the high water mark of surface waters or wetlands.
- h) Pads for waste containers must be made of concrete or other approved impervious surfaces and with a minimum three-inch high berm. Pads for liquid or mixed waste shall require additional containment features to prevent uncontrolled spills.

**2) Screening.**

- a) Waste containers shall be screened from public view by appropriate means, such as fencing, natural buffers, or as otherwise approved by the Rindge Code Enforcement Officer, and shall be located outside setback requirements. Natural screening of Dumpsters is encouraged.

**3) General Disposal Requirements**

- a) No person or hauler shall dispose of waste in such a manner as to litter the roadways or private or public property nor transport waste or debris uncovered so as to allow littering to occur.
- b) No person shall use or allow property under his ownership or control to be used for waste disposal purposes except at operations licensed for disposal by the appropriate governing body. All storage and disposal of waste, whether hazardous or non-hazardous, shall be in accordance with all applicable Federal, State, and local regulations."

(Recommended by the Board of Selectmen, 3 in favor. Recommended by the Budget Advisory Committee.)

20. To transact any other business that may legally come before this Meeting.

Given under our hand and seal this 18<sup>th</sup> day of February in the year of our Lord, Two Thousand and Five.

Robert Martin, Chairman

James Leger

Arthur C. Fiorelli

SELECTMEN OF RINDGE, NH

# MS-6: Budget

MS-6

## BUDGET OF THE TOWN/CITY

OF: RINDGE

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2005 to December 31, 2005

or Fiscal Year From \_\_\_\_\_ to \_\_\_\_\_

### IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below.

This is to certify that this budget was posted with the warrant on the (date) February 18, 2005.

### GOVERNING BODY (SELECTMEN)

**INSTRUCTIONS FOR FORM MS-6  
BUDGET OF THE TOWN**

<b>Pages 2 - 4 Appropriations</b>	RSA 32:5 requires this budget be prepared on a "gross" basis, showing all revenues and appropriations. The "Warr. Art. #" column 3 is for the related warrant article numbers for the ensuing year's budget. Complete column 4, entitled "Appropriations Prior Year As Approved by DRA". In column 5 enter the prior year's actual expenditures. If the fiscal year is July-June, enter the actual expenditures for the most recently completed fiscal year. In column 6, enter the selectmen's recommended budget for the coming year and use column 7 for those appropriations not recommended.
<b>RSA 32 requires all appropriations be posted.</b>	This means the operating budget and all special and individual warrant articles must be posted. Page 5 provides an area for you to separate special and individual warrant articles, if desired.
<b>Page 5 Special Warrant Articles</b>	Special warrant articles are defined in RSA 32:3, VI, as: 1) petitioned warrant articles, 2) an article whose appropriation is raised by bonds or notes, 3) an article which calls for an appropriation to a separate fund created pursuant to law, such as capital reserve funds or trust funds; and 4) any article designated on the warrant as a nonlapsing or nontransferable article.
<b>Page 5 Individual Warrant Articles</b>	"Individual" warrant articles are not necessarily the same as "special warrant articles". Examples of individual warrant articles could be ratification of negotiated cost items for labor agreements, leases, or items of a one time nature.
<b>Pages 6 - 7 Revenues</b>	Insert last year's estimated and actual revenue in columns 4 & 5. Enter this year's estimate of revenue in the "Estimated Revenue", column 6. The "Warr. Art. #", column 3, is for any related warrant article. Be sure to complete the "Budget Summary" section.
<b>Posting &amp; Report Distribution</b>	A hearing must be held on the budget and a signed copy of this budget must be posted with the warrant. Within 20 days after the meeting, send a signed copy to the Commissioner of Revenue Administration at the address below.

# Minutes of the Annual Town Meeting

March 9, 2004

Registered Voters – 3395

Ballots Cast - 1790

Town Moderator, David M. Tower called the meeting to order at 7:45p.m. Mr. Tower led the meeting to the Pledge of Allegiance. He introduced the microphone runners, Katie Weir and Beth Doyle then he introduced the Governing Body: Town Administrator – Edgar Gadbois, Selectmen - David Collum /Chairman of the Board, James Leger and Robert Martin. Town Clerk – Nancy Martin, Budget Advisory Committee Members - David DuVernay, Arthur Fiorelli, Arthur Speros and Don Umlauf. He also introduced the Department Heads - Rickard Donovan, Director of Public Life & Safety, Peter Goewey, Director of Public Works and Rob Clark, Recreation Director. Mr. Tower also introduced the Supervisors of the Checklist - Lila Burbank, Janet Gordan and Amy Raymond. He introduced the Deputy Moderator, MaryAnn Harper and recognized the counters at the back of the room. Mr. Tower then explained the procedure of Town Meeting and asked everyone to follow along in the warrant. He explained after an article was read and officials had made their recommendations, he would then go to the floor for any questions.

**ARTICLE 1:** To choose all necessary Town Officers for the year ensuing. (By Official Ballot)

Town Moderator (1 year)	David M. Tower	216
Selectman ((3 years)	Arthur C. Fiorelli	686
Budget Advisory Committee (3 years)	Anthony D` Ambrosio	368
Budget Advisory Committee (3 years)	Walter Wright	195
Planning Board (3 years)	James Hoard	594
Planning Board (3 years)	Katherine Duffy	774
Constable (1 year)	Lawrence Harris	1226
Library Trustee (3 years)	Joseph Jaques	1071
Library trustee (3 years)	Florence Marsh	1403
Overseer of Welfare (1 year)	Marabeth Farmer	1462
Supervisor of the Checklist (6 years)	Lila Burbank	1398
Trustee of Trust Funds (3 years)	Jeanette G. Gutteridge	1404
School District Moderator (2 years)	David M. Tower	1338
School Board Member (3 years)	Timothy Derr	722

**ARTICLE 2:** Shall we permit the public library to retain all money it receives from its income-generating equipment to be used for general repairs and upgrading and for the purchase of books, supplies and ingenerating equipment? (By Official Ballot)  
**YES – 1528 NO - 85**

**ARTICLE 3:** Shall the town authorize indefinitely, until specific rescission, that the public library trustees, under the provision of RSA 202-A:4-d, may accept gifts of personal property, other than money, which may be offered to the library for any purpose?(By Official Ballot)  
**YES – 1503 NO - 188**

**ARTICLE 4:** To hear and act upon the reports of the Selectmen, Town Treasurer, Town Clerk, and reports of all agents, committees and officers hereto chosen.

**Article 4:** presented by David Collum with a second.

**Article 4** passed by a voice vote.

**David Collum** asked to take Article 9 out of order and asked for a motion to vote, **Jim Leger** made the motion.

**ARTICLE 9:** Shall the Town vote to raise and appropriate a sum of \$155,000 to purchase the equipment necessary to transfer the Town's solid waste material to a disposal facility. The equipment shall include, but not be limited to one (1) Ten-Wheel Truck, one (1) Roll Off Hoist, one (1) Trailer, one (1) 2-Yard Stationary Compactor, one (1) Side Feed Doghouse, one (1) Guide Island, three (3) Compactor Containers, and three (3) 30-Yard Open Tops? (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 5 yes, 0 no)

Mr. Tower read Article 9 and went to the floor for questions. Arthur Fiorelli of the Budget Advisory Committee said the BAC unanimously supports the article and it would be a good investment for the town. After some discussion, Town Administrator, Edgar Gadbois asked for a slide presentation to give the Town's people an idea of what the contract would entail. He said the contract for trash removal is up to renew this year (3 yr contract up in June) which is why the town went out for proposals. The vendor we presently have would be One Hundred Eight Thousand Dollars (\$108,000.00.) Mr. Gadbois went into great detail to explain the cost and why it would be a benefit to the Town. Mr. Tower went back to the floor for more questions. After some discussion Mr. Tower asked for a vote.

Article 9 passed by voice vote.

**ARTICLE 5:** Shall the Town vote to raise and appropriate the sum of Two Million Eight Hundred and Eight Thousand Four Hundred Forty-Three Dollars (\$2,808,443) as posted, which represents the operating budget for the year 2004? Said sum does not include special or individual articles addressed. (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 5 yes, 1 no.)

Article 5: presented by Bob Martin with a second. Ed Gadbois explained the Budget. Dave DuVernay of the BAC said they met with the Department Heads and the Board of Selectmen and though there is a small increase in wages and benefits they do recommend the budget as written.

Article 5 passed by voice vote.

**ARTICLE 6:** Shall the Town vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to be utilized by a committee to be appointed by the Selectmen and comprised of members of the appropriate Town boards, committees, commissions, Town departments, and citizens in developing a comprehensive plan for the use or development of Town facilities, including, but not limited to, Town Offices, Community Center, Recreation facilities, Library, Senior Center, Senior Housing, and open space and preparation of a report to be submitted by December 31, 2004 to the Board of Selectmen? The plan shall examine the financial implications for the Town, as well as the potential uses for town owned parcels of land. (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 4 yes, 0 no.)

Article 6: presented by Jim Leger with a second.

Art Fiorelli said that he recommends the passage of this article, he feels that at the rate the Town is growing it is a good idea to plan for that growth. The BAC & BOS voted unanimously for this article.

Al Lefebvre asked the Selectmen if it was for the purpose to develop a Capital Improvement Plan? The Selectmen said it was not. Al said that by New Hampshire RSA, the Planning Board should be in charge of this type of study and it would be inappropriate for another board to do it.

Mr. Lefebvre made an amendment to have it read: To vote to raise Twenty Five Thousand Dollars (\$25,000.00) to be used by the Planning Board for the purpose as enumerated.

Mr. Tower asked for a second to the motion, the motion was seconded. He then asked Mr. Lefebvre if there was anything else he would like to say in support of the motion. Mr. Lefebvre referred that it was clearly an RSA. After much discussion from the floor the vote to amend the article was taken, the vote to amend the article passed by voice vote. There was then a motion made to move to continue discussion on the topic or go to the amendment. Mr. Tower asked for a voice vote, the motion to vote passed to end discussion. He then asked for a vote for the motion made by Al Lefebvre.

The vote failed by voice vote.

Mr. Tower then went back to the original motion made by the Selectmen and asked for a vote. A standing vote was taken.

Article 6 passed by standing vote: YES – 133 NO –74

**ARTICLE 7:** Shall the Town vote to pass the following non-binding resolution, which reads, "Whereas the CIP Committee recommends that in 2005 the Town authorize the issuance of bonds or notes in accordance with the Municipal Budget act, in order to finance the final phase of building a new Town Garage and a feasibility study for a new Public Safety building, therefore be it resolved that we, the citizens of Rindge, New Hampshire, support their recommendation and encourage the Selectmen to present such an article to the Town at next year's Town Meeting"? (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 4 yes, 1 no)

Article 7: presented by Dave Collum with a second by Bob Martin.

Ed Gadbois explained what has been done in the previous years. He mentioned the final phase will be more costly and the CIP Committee would like to borrow or bond the money over a period of 4 or 5 years. Next year the town will have a final bid as to what the cost will be to finish the project. Dave DuVernay said that the committee is merely looking for recommendation of the Legislative Body. The BAC does recommend this non-binding resolution.

After comments from the floor, Mr. Tower asked for a vote.

Article 7 passed by voice vote.

**ARTICLE 8:** Shall the Town vote to establish an expendable trust fund under the provisions of RSA 31:19-a to be known as the Meetinghouse Maintenance Fund, for the purpose of repairing and maintaining the Meetinghouse and to raise and appropriate the sum of Five Thousand Dollars (\$5,000) toward this purpose and name the Selectmen as the agents to expend the fund? (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee. 5 yes, 0 no.)

Article 8: Bob Martin moved that the article be accepted as written with a second by Dave Collum.

Ed Gadbois spoke of the expenditures of the Meeting House do not fall into the CIP Plan. The CIP asked to adopt a special RSA that would allow the Selectmen to be the agents to expend the funds. Don Umlauf said he is completely in favor of the fund for the Meeting House. It is important to take care of problems when they arise before they become larger ones. Mary Jane Sawyer asked if it would be possible for individual people contribute toward the fund. Ed Gadbois said he would look into the legalities of it.

Article 8 passed by voice vote.

**ARTICLE 10:** Shall the Town vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) for the purchase of fireworks and other incidental expenses in connection with the planned July 4<sup>th</sup> Celebration to be held in the Town of Rindge? (Recommended by the Board of Selectmen. Not Recommended by the Budget Advisory Committee. 0 yes, 5 no.)

Article 10: presented by Dave Collum second by Bob Martin

Ed Gadbois elaborated on the article and the how well the Celebration went over last year. He also talked of the problems of the Town going around asking for donations. He said it doesn't seem right for the Town to try to solicit money for the Celebration. After many comments from the floor, Mr. Tower called for a vote.

Article 10 passed by voice vote.

**ARTICLE 11:** Shall the town vote to increase the optional Veteran's Tax Credit, which shall be subtracted each year from the property tax on the veteran's residential property, from One Hundred Dollars (\$100) to Five Hundred Dollars (\$500), under the provisions of RSA 72:28? (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 3 yes, 1 no, 1 abstention.)

Article 11: Jim Leger moved to accept the article as written with a second by Bob Martin

Jim Leger explained the eligibility to obtain the Tax Credit, Dave DuVernay said to date the Town has 215 taxpayers who get the tax credit now at One Hundred Dollars (\$100.00), the increase would represent Eighty Six Thousand Dollars (\$86,000.00) more out of approximately Eight Million (\$8,000,000.00) in tax revenue in the town. He said the BAC recommends the article. Ken Pelto said he has been to other towns where their minimum tax deduction was One Thousand Dollars (\$1,000.00) and he feels the Town of Rindge should be the same.

Article 11 passed unanimously.

Dave Tower announced that there would be a 15-minute break and the meeting would reconvene at 9:25pm. Al Lefebvre made a motion to restrict reconsideration of all votes.

The motion passed to restrict reconsideration by voice vote.

**ARTICLE 12:** Shall the town vote to increase the optional tax credit for service-connected total disability, which shall be subtracted each year from the property tax on the veteran's residential property, from One Thousand Four Hundred Dollars (\$1,400) to Two Thousand Dollars (\$2,000), under the provisions of RSA 72:35? (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 5 yes, 0 no.)

**Article 12:** was accepted by Bob Martin with a second.

Dave DuVernay said that currently the town has nine (9) residents that claim the credit, the cost to raise the credit would cost the town Five Thousand Four Hundred Dollars (\$5,400.00) and the BAC highly recommends the credit. John Whiting said he felt the credit isn't nearly enough but he understands the position the Town is in. He spoke of the difficulties of living on a fixed income and he was having a hard time getting any financial help. Mr. Whiting was given names of local State Representatives and Senators who may be able to help him acquire information on how to speak to the legislature about this.

**Article 12** passed unanimously.

**ARTICLE 13:** Shall the Town vote to adopt an Exemption for the Disabled under the provisions of RSA 72:37-b as follows? The exemption from assessed value for qualified taxpayers shall be \$25,000. To qualify, the person must be eligible under Title II or Title XVI of the federal Social Security Act, must occupy the property as his principle place of abode, must own the property individually or jointly, or if owned by a spouse, they must have been married for at least 5 consecutive years, had in the calendar year preceding April 1 a net income from all sources of not more than \$18,940 if single, or \$27,072 if married, and own net assets not in excess of \$50,000 excluding the value of the actual residence and up to two acres of land. (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 5 yes, 0 no.)

**Article 13:** Presented by Dave Collum with a second.

Dave Collum said the town currently offers a Twenty Five Hundred Dollar (\$2,500.00) exemption for those who qualify. Dave DuVernay said that when the provision was originally passed about 10 years ago and he feels that at that time he thinks we thought we were passing it for Twenty Five Thousand Dollars (\$25,000.00) not Twenty Five Hundred Dollars (\$2,500.00). If the article passes the increase would be Fourteen Thousand Eight Hundred Thirty Dollars (\$14,830.00), which he feels the town could well afford to do.

**Article 13** passed unanimously.

**ARTICLE 14:** Shall the Town vote to raise and appropriate and authorize the withdrawal from surplus the sum of Two Hundred Seventy-Five Thousand Dollars (\$275,000) to be added to the following funds previously established: Eighteen Thousand Dollars (\$18,000) to be placed into the Highway Department Equipment capital reserve fund, One Hundred Fifty-One Thousand Dollars (\$151,500) to be placed into the Municipal Buildings capital reserve fund, Twenty Thousand Dollars (\$20,000) to be placed in to the Library Construction and Renovation capital reserve fund, Thirty-Five Thousand Dollars (\$35,000) to be placed into the Recreation capital reserve fund, and Fifty Thousand Five Hundred Dollars (\$50,500) to be placed into the Revaluation capital reserve fund? (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 5 yes, 0 no.)

**Article 14** presented by Bob Martin with a second.

After some discussion Mr. Tower asked for the vote.

**Article 14** passed by voice vote.

**ARTICLE 15:** Shall the Town vote to raise and appropriate and authorize the withdrawal from surplus the sum of Thirty Thousand Five Hundred Dollars (\$30,500) for the purpose of purchasing a pick-up truck for the Fire Department? (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 5 yes, 0 no.)

**Article 15** presented by Jim Leger with a second.

After much discussion, Mr. Tower called for a vote article 15.

**Article 15** passed by voice vote.

**ARTICLE 16:** Shall the Town vote to raise and appropriate and authorize the withdrawal from the capital reserve fund established for this purpose, Highway Department Equipment, the sum of Thirteen Thousand Dollars (\$13,000) for the purpose of purchasing a commercial mower? (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 4 yes, 1 no.)

Article 16 presented by Dave Collum with a second.

After a brief discussion article 16 passed by voice vote.

**ARTICLE 17:** Shall the Town vote to raise and appropriate and authorize the withdrawal from the capital reserve fund established for this purpose, Municipal Buildings, the sum of Two Hundred Thousand Dollars (\$200,000) for the purpose of funding Phase III of the Town Garage Project, which includes, but is not limited to, site work, building foundation and building shell, and related costs? This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the work is completed or by December 31, 2006, whichever is sooner. (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 5 yes, 0 no)

Article 17 presented by Bob Martin with a second.

Ed Gadbois reminds the audience that this is Phase 3 of the 4-phase program. Dave DuVernay repeated that it is Phase 3 of a 4-phase program, which was previously voted on.

After some discussion Mr. Tower asked for a vote on the article.

Article 17 passed by voice vote.

**ARTICLE 18:** Shall the Town vote to raise and appropriate and authorize the withdrawal from the capital reserve fund established for this purpose, Revaluation, the sum of Thirty Thousand Dollars (\$30,000.00) for the purpose of re-measuring and listing of data for approximately one-third of the properties in the Town in preparation for the revaluation? This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the work is completed or by December 31, 2006m whichever is sooner. (Recommended by the Board of Selectmen. Recommended by the Budget Advisory Committee, 5 yes, 0 no.)

Article 18 presented by Jim Leger with a second.

After some discussion Mr. Tower asked for a vote on the article.

Article 18 passed by voice vote.

**ARTICLE 19:** Shall the Town vote directing the Selectmen of Rindge to determine and post not less than 10 days prior to each town meeting the undesignated fund balance (surplus) for the previous fiscal year ended and also to publish the amount in the town report, and further, direct the Selectmen to distribute annually fifty percent (50%) of the undesignated fund balance towards reducing taxes when calculating the annual tax rate beginning when the rate is figured in 2004. The distribution of the undesignated funds to reduce taxes is to take place annually until rescinded by vote of the people at town meeting? (By petition)

Article 19: Tom Coneys made a motion to amend the petition article as follows:

To direct the Selectmen to have the annual auditors report completed prior to setting the annual tax rate beginning in 2004 and further direct Selectmen to annually retain an amount not to exceed seven percent (7%) of the Towns general operating budget in a undesignated fund account as determined by the audit report, any amount exceeding seven percent (7%) is to be distributed annually towards reducing taxes when setting the annual tax rate until rescinded by vote at Town Meeting.

There was a second to the motion.

Tom Coneys explained the petition article in depth. Ed Gadbois warned the citizens of the danger of passing this article. Mr. Gadbois said he received a letter from the Department of Revenue with advice about the petition article. Mr. Gadbois gave the letter to Mr. Tower to read to the meeting. Art Fiorelli, speaking as a citizen, said he feels it is incumbent on the Town Administrator and the Selectmen to get the audit done before the tax rate is set.

Al Lefebvre made a motion to table the article until next Town Meeting, the motion was seconded. Mr. Tower asked for a vote on the motion to stop discussion and go right to the motion of tabling the article to next Town Meeting. The motion carried. He then asked for a vote to table the motion, a standing vote was taken –

A standing vote was taken: 109 not to table 42 to table

Al Lefebvre made a motion to amend the article to read: "Five percent (5%) of the Towns operating budget including school budget and county budget". Tony D'Ambrosio seconded to the motion.

After much discussion from the floor a motion was made to stop discussion. The motion was seconded.

Mr. Tower asked for a vote on the motion to amend article 19.

The amended article was not passed.

Mr. Tower then took a vote on the original article by Tom Coneys.

Article 19 passed by voice vote

**ARTICLE 20:** To transact any other business that may legally come before this Meeting.

There was no further business to conduct, Mr. Tower then thanked the girls for their good job with the microphones and thanked the ballot counters.

Art Fiorelli asked for a motion to constrict any reconsideration of the votes.

The motion carried

Mr. Tower closed the meeting at 11:05 p.m.

Respectfully submitted,

Nancy A. S. Martin  
Town Clerk

## Report of the Board of Selectmen

The Board of Selectmen began a very busy year addressing the needs of the Town in terms of long range planning. Immediately following Town Meeting, that selected a new member of the Board of Selectmen, Arthur Fiorelli, the Board made appointments to various committees, including the newly created Community Facilities Committee. Throughout late spring and early summer the committees met and produced a number of initiatives that included the following:

- A seven year Capital budget plan that lays out a solid path for the town to follow that will ensure that capital equipment, and town facilities can be purchased or built at a cost the Town can afford.
- A new wage plan based on performance was developed and recommended by the Personnel Committee. This new plan was implemented effective January 1, 2005.
- The newly formed Economic Development Committee began tackling the issue of economic development and a major initiative they are pursuing, that of bringing broadband technology to the Town.

Selectmen implemented the Statewide E911 program following a number of public hearings. This was long overdue, and is now in place.

A different approach to preparing the Town budget was started. It emphasizes a top down approach to budgeting. This concept starts with the Selectmen determining how much each department request can increase. This year this approach to budgeting produced a 2.4% increase in the budget over last year.

The Board of Selectmen would like to thank all Town employees, committee members, and citizens who have worked to make the Town an enjoyable place to live.

Respectfully Submitted,

Robert Martin, Chairman

# Report of the Town Administrator

## Mission Statement

“The purpose of Town Government is to provide certain services and activities that individuals would have difficulty providing for themselves.”

- In 2004 the Town continued the policy of using citizen committees to seek advice and solutions to town issues.
- The Capital Improvement Program Committee that was formed in 2003 developed a comprehensive Seven Year Plan for town buildings and equipment. The plan, which will be outlined at Town Meeting, takes into consideration the ability of the town to pay for the needed facilities and equipment.
- The Community Facilities and Open Space Plan Committee, which was created by the 2004 Town Meeting, completed its work providing the town with a clear list of the Town's community facilities and open space needs for the next 25 years.
- The Personnel Committee made a recommendation to the Selectmen for a wage plan that is based on the concept of performance. The plan was accepted by the employees and was implemented with their full cooperation. Certainly this approach to employee pay increases will serve not only the employees, who have opportunities to enhance their salaries, but also the taxpayers, by ensuring that they are getting good value for their tax dollars.

Other initiatives that the Town Administration was busy with were the implementation of a cost savings program for the removal of Solid Waste Material by using town owned resources to transport the material. The program was successfully started on the target date of July 1, 2004.

Work began on the economic front by addressing the need to enhance access to Broadband technology. This task was a priority of the newly formed Economic Development Committee. At this time the town is beginning the process to negotiate a Franchise Agreement for Broadband services.

The Town's Revaluation Project is on schedule. The third phase of the project has been completed with the measuring of all of the commercial property in town. It is expected by early summer all property will be at assessed at 100%, and the project will be completed by August 2005.

The E911 State Emergency Program was completed following five years of difficult work. Also, the Town's code enforcement program continued, and a substantial victory occurred in the courts when the town won a very controversial case in reference to charging fees for signs.

The above list of activities is not all comprehensive but does enumerate some of the major activities of the Town Administration.

Someone once said that only the future exists, thus I would like to point out some future endeavors the Town Administration will be addressing:

- Broader opportunities for recreation activities
- Insuring that our Public Safety Departments are prepared for any emergency that the town might face.
- Insure that a well thought out economic plan is prepared
- Develop a strategy that insures the Town maintains its rural character
- Enhance its working relationship with Franklin Pierce College

Concluding, I would like to thank the Department Heads, Town Employees and all those who serve on both elected and appointed committees who work to insure the Town of Rindge continues to be a first class community whose citizens have access to excellent services.

Respectfully Submitted,

Edgar Gadbois  
Town Administrator

## Report of the Code Enforcement Officer

As you probably know, the Rindge Code Enforcement Officer acts as an agent for and is responsible to the Board of Selectmen for the enforcement of the Town's various ordinances. He is also responsible for the enforcement of directives of the Rindge Planning Board and decisions made by the Rindge Board of Adjustment. At any given point in time, I actively monitor approximately 30 to 40 cases. These cases include zoning violations, such as setbacks of buildings from adjoining property lines or roadways, issues relative to advertising signs and their permitting and location, and Wetlands issues, such as tree-cutting and building construction.

I enforce Town-legislated ordinances, as well as State of New Hampshire statutes in some instances, with a view toward maintaining the rural charm of Rindge and the value of its citizens' property. Town residents should be able to pursue their day-to-day lives, and businesses should be able to conduct their regular activities, in such a way as to not infringe upon the rights of all Rindge citizens to enjoy the Town's many advantages.

I hope most citizens agree that over the past few years the appearance of Rindge has improved with the reduction of junk cars and unregistered automobiles, as well as some reduction in business signs. In most instances it seems that violators are simply unaware of the ordinances and their application to their activities. Once educated about the rules, most citizens are eager to comply. If you become aware of a possible violation or if you merely have a question about some activity or building, please call me. I will try to find the answers you seek and will never reveal to anyone else who raised the question with me.

Respectfully submitted,

David E. DuVernay  
Rindge Code Enforcement Officer

## Report of the Town Clerk

The past year was a very busy year in this office. Elections (4), certification, workshops and learning new software has definitely kept me busy. In August, I attended my forth and final, week- long certification course. These courses consist of a variety of classes such as: Vital Records, Records Retention, Tax Collection, Voting Procedures, Motor Vehicle, Title, etc. I completed the Tax Collectors Course in July of 2003 and completed the Town Clerk Certification Course in August of 2004. All town clerks and tax collectors must complete these courses in order to be fully certified by the State of New Hampshire's Town and City Clerk and Tax Collectors Association.

The New Hampshire Vital Records Information Network (NHVRIN) is a great convenience for anyone wishing to acquire a vital record that has been recorded in New Hampshire within the last 20 years or so. I now have the ability to print marriage, birth and death certificates that have occurred in New Hampshire within the past 20 years or so up to current. There are certain guidelines as to who may obtain these records and a \$12.00 fee is charged for any search regardless whether the record is found or not.

The 2005 dog tags are in; don't forget dog license renewals are due by the end of April. There will be a rabies clinic held in April, check with my office or the local paper for the date.

I would like to take this opportunity to say I appreciate your support and I am looking forward to serving the Town of Rindge for another three years. I am always willing to help in any way that is within my capacity, just stop by or give me a call. Town Clerk Hours: 9am to 4pm Mon – Thurs (closed for lunch 1pm-2pm) Thurs. Eve 6pm to 8pm, Fri. 9am to 1pm, Last Saturday of the month 9am to 11am. Phone number: 899-5181 ext. 107

### Three - year revenue comparison chart:

	2002	2003	2004
MV Registration & Agent	\$705,458.50	\$789,408.34	\$850,000.76
Dog Licensing	\$6,280.50	\$7,035.00	\$6,273.00
Miscellaneous	\$11,842.18	\$10,670.97	\$11,103.03
<b>Yearly Totals</b>	<b>\$723,581.18</b>	<b>\$807,114.31</b>	<b>\$867,376.79</b>

### Remittance Report of the Town Clerk to the Treasurer

# Report of the Budget Advisory Committee

The BAC met throughout the year 2004 to review expenditures and revenues in order to prepare for the next year's budget cycle. We found this exercise a good way to introduce three new BAC members to Town reports and to help them understand the accounting system the Town uses.

Unlike in previous years, the Board of Selectmen urged the Department Managers to present budget requests within specific guidelines. The Board mandated that salary increases be held to no more than 3.5% and that operating expenses be held to no more than 2.0%. Under unusual circumstances exceptions were reluctantly considered.

Then, various BAC members met with each Department Manager to ascertain the needs of each Department and to cooperate to find ways to reduce budget requests previously submitted to the Town Administrator. The BAC then submitted its recommendations to the BOS. Following a joint meeting between the BOS and BAC, the BOS adopted a proposed budget of \$2,875,974 representing a 2.4% increase over the previous fiscal year.

At the end of the process, the BAC makes the following recommendations in order to improve the budgeting process:

- Each Department Manager should prepare a detailed report to support the budget request made to the Town Administrator (several Departments have been providing these detailed budgets for the past couple of years).
- When mandating separate maximum budgets for wages and operating expenses, Department requests should be similarly separated so that proper comparisons can be made.
- The Town's accounting system must use consistent account numbers from Department to Department, so that the BAC can analyze the amounts spent in each accounting category.
- Department Managers should concentrate more on reducing expenses and part of their performance evaluation rating should consider their success or failure in doing so.

The BAC provides volunteer members an opportunity to learn much of the inner-workings of the Town of Rindge by being involved in its budgeting process. We welcome newly elected members Helene Rogers, Anthony D'Ambrosio and Walter Wright and thank them for their contributions this year. Unfortunately, Helene found it necessary to resign her position at the end of the year and we extend our best wishes to her and her family. The BAC also acknowledges the contributions made by two of its longer-term members, Arthur Speros and David DuVernay. The BAC will be short at least two members for next year and we urge interested Rindge citizens to come to one of our posted meetings and consider being appointed to the BAC.

Respectfully submitted,

Kathy Peahl, Chair  
David DuVernay, Secretary  
Rindge Budget Advisory Committee

## Report of the Planning Board

The Planning board has the responsibility of planning, which is a process of maintaining and updating maps, use of the Master Plan as an aid to help guide the community in development and to conduct formal hearings (which deal directly with applicants for subdivision and site plan approval), site visits, work meetings, and public hearings for zoning amendments and regulation changes.

This year the planning board had a total of 48 applications:

- 21 site plan reviews
- 8 minor subdivisions
- 4 major subdivisions
- 9 technical subdivisions
- 5 mergers
- 1 excavation
- several site walks

The new businesses that were approved this year are:

- North of the Border - a new convenience store in what was the Valley Marine
- The Rindge Country Convenience Store - in what was Marshall's
- A Barbershop - in West Rindge Village
- two new home businesses consisting of a Beauty Shop and Pottery Shop

The Planning Board also approved the new Veterans' Memorial which will be a nice addition to our village center and Franklin Pierce was approved to build their new ball fields and three new dormitories. It was with regret that we learned of Famm Steel's closing.

In September the town voted to adopt a Growth Management Ordinance, which will provide a mechanism to reduce the rate of residential growth to allow time for the Town to correct any deficiencies that have developed, when schools, municipal services or facilities become strained or overloaded.

The planning board is now updated with GIS mapping that is a great tool for the Planner and all Town Boards.

We have spent many work meetings rewriting the Site Plan Regulations and are in the process of holding a 2<sup>nd</sup> public hearing. Thank you, everyone, for all the comments and public interest in this process. We have also just completed the task of drafting an impact fee schedule for residential buildings and will be holding a public hearing in the early part of 2005.

The Planning Board is proposing two zoning amendments that will go to Town vote in March.

1. A zoning amendment to limit the size of commercial buildings to 75,000 sq ft in the commercial and Business/Light Industry Zones.
2. An amendment to the Impact Fee Ordinance.

In closing, the board welcomes many new members and alternates this last year: James Hoard, Paul O'Connor, Kim McCummings, Craig Cypret, Robyn Payson and Art Fiorelli (selectman ex officio). I would like to thank all the board members, town officials and residents for their support in the planning process of Rindge.

Sincerely,

Katie Duffy, Chair

# Report of the Conservation Commission

The Rindge Conservation Commission strives to monitor and preserve the natural resources of Rindge. Its members work closely with the Public, Selectmen, Planning Board, Board of Adjustment and the N. H. Department of Environmental Services to give advice and make recommendations in an effort to protect environmentally sensitive areas during this period of sustained growth.

## Activity Highlights:

- Wetland permit application reviews
- Environmental violation investigations & reports
- Pursuit of conservation land acquisition & related funding efforts
- Conservation land & easement holdings management
- Natural Resource Inventory development
- Promotion of environmental education

The CC is very aware of its responsibility to provide the very best management possible for the Converse Meadow property. The professional and broad ranging ecological assessment which was undertaken throughout all of the seasons of 2004 has provided accurate maps and a thorough baseline inventory of the variety of resident species. With this information in hand, we will form and work with an advisory committee from various local interest groups to formulate an appropriate, compatible, multi-use plan for optimal public enjoyment in the future. Two of the recommendations from the Community Facility and Open Space Plan Committee report will have bearing on how this management unfolds. If the Conservation Easement Authorization Warrant Article passes, we will negotiate with the Monadnock Conservancy or similar land trust, to assume enforcement responsibilities of specific restrictions deemed appropriate by this commission at no further cost to the Town. Thereby, we will effect a permanent protection of this natural treasure. While at the same time, if the recommendation to expand the duties of the Recreation Department to include Parks is implemented, we foresee the development and enhancement of passive outdoor recreation programs on this and other Conservation Properties.

We have executed a perimeter survey and marking of the Converse Meadow property and the Town Forest on Homestead Lane (the former Old Danforth Crossing Road). The sale of 37 acres of land from David & Audrey Tetreault to the Town at a generously reduced price (covered through the Conservation Fund), has expanded the area of the Town Forest and provides a much more convenient access from Rand Road. Sadly, David died during negotiations and Audrey just a few months after the closing, but we will be forever grateful for Tetreault Park.

One Commissioner, David Graham Wolf, completed his Master's Thesis from Antioch NE Graduate School with a two year aquatic inventory of four lakes in Rindge (Hubbard, Grassy, Contoocook and Pool). The Report was funded by the CC and so will be a valuable addition to our Natural Resource Inventory. This report and the Converse Meadow Study (funded in part from a Grant from the NH Charitable Foundation) have happily identified several rare and imperiled species which have been documented and reported to the State. Additionally, the Significant Wildlife Habitat Identification Study provided by NH Fish & Game will combine with these local studies to enhance the Town-wide Biodiversity Study effort that the CC contracted for with Bluepoint Ecological, Inc. to be done in 2005. All of this will be of invaluable utility in working with the Planning Board on the Open Space Chapter of the Town's Master Plan.

The expansion of the Franklin Pierce College athletic fields this past year, required substantial filling of wetlands which, by NH Department of Environmental Services' Rules, required mitigation. The unfortunate cutting of trees in this mitigation area during this same project, resulted in rather extended efforts of resolution. The net result however, is the permanent protection of some 60+ acres of land with a Conservation Easement held by the Monadnock Conservancy, significant additional tree planting between the upper and lower ball fields (in part of the mitigation area) and the commitment by the College to develop a long range plan for land protection coordinated with future Campus development.

Recent growth trends are alarming and threaten some of the natural values surrounding us that we often take for granted. We will continue to prioritize areas in need of protection and try to facilitate appropriate action. Property owners who are interested in putting their land under conservation easements or might consider donating it for conservation purposes, possibly in conjunction with estate planning, should contact the CC to discuss the variety of appropriate strategies and options available.

The CC meets on the 4th Thursday of each month at 7 PM at the Town Office Building. We anticipate a fairly heavy work load this year and consequently expect a second monthly meeting to be a common occurrence, but that scheduling will be on an as needed basis. Interested members of the public are invited and encouraged to attend and become involved with our efforts. We reluctantly accepted the resignation of Gen. Gerald Parker, MD midyear, as he took on additional responsibilities in other realms, so there are openings on the Commission for membership. Please step up and become a part of shaping the future of our natural heritage.

Respectfully submitted,

Richard Mellor, Chairman

# Report of the Public Works Department

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition and maintaining the town roads are our main priority. The Town of Rindge has over sixty miles of town maintained roads.

In the Fall, we start evaluating the town roads to decide which roads will need summer projects performed on them. There are many factors which influence our decisions. The major factors considered are: the age of the existing pavement, the condition of the road base, and the age of the drainage structures in and along the road. Our other Fall projects consist of preparing the Town trucks and equipment for the Winter months, raking of leaves, preparing the Town parks for Winter, draining the water lines at Wellington Park, re-grading the gravel roads, and the patching of potholes.

The Winter months keep us very busy. Obviously our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. We have a very dedicated crew that really care about their job and take a lot of pride in their work. I, as the Director of Public Works, would like to personally thank them for their dedication and many hours of work that they put in during the Winter.

The Spring months keep us busy cleaning up from Winter and preparing for Summer. Projects in the Spring consist of: placing gravel on the dirt roads during Mud Season, patching potholes, finish raking leaves from the Fall, opening the cemeteries, lawn maintenance, cutting brush and trees in preparation for summer projects, repairing damages to property and road signs from winter plowing, and preparing and advertising for bids for the major summer projects.

The major Public Works projects are performed in the Summer. These consist of: replacing of drainage pipes, reclaiming roads in preparation for paving, grading of the dirt roads and placing liquid calcium chloride for gravel stabilization and dust control, maintaining the Town Common, Parks, cemeteries, and the Town Office lawn, preparing the Town Park fields for summer recreation, and roadside mowing.

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers that staff the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. Household Hazardous Waste Day continues to be a big success.

## 2004 PROJECTS

We replaced culverts and did trimming of trees on Wellington Road, Jowders Cove Road, Blakeville Road, and Coots Bay.

We installed a culvert on Hampshire Road that was collapsed

Early spring we had a heavy down pour of rain that washed out the culvert on Fitzgerald Road that to be replaced as well as some gravel.

Had water come over the culvert on Hampshire Road that required the culvert be back-filled with riprap.

We installed a new compactor, which the Town of Rindge now owns, at the Transfer Station, and we are now hauling our own trash to Berlin NH at \$42.00 a ton, a considerable savings over the \$110.00 we were paying in 2003.

We are hauling our glass from the Transfer Station to Keene which is about a trip a month.

Replaced the water line at the Highway Garage that sprang a leak during the spring, leaving the garage without water.

Did some rearranging in the cellar of the Town Office and built shelving to put in some new equipment for the Planning Office.

Had to replace all the railing on the Gazebo in the Town Common from being vandalized.

Graded all the gravel roads in Town and treated them for dust control for the summer.

At Wellington Park baseball field, we took out some old infield material and replaced it.

The 911 project for the Fire Department finally came to an end and we installed all the new street signs where the names were changed.

We cut the trees down where the new Town Garage is going to be built.

## 2005 PROJECTS

Replace drainage, reclaim, trim trees and reshape and repave College Road and Payson Hill Road.

Work on phase three of the new Public Works Garage project. This consists of preparation of the new garage.

Implement commingled recycling at the Transfer Station to make it more user friendly for the citizens.

Redo the floor in the meeting house and the gazebo.

Put vinyl siding on the Transfer Station Recycling Center and paint.

We also are going to plant some shrubs at the Transfer Station along the fence line.

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Peter G. Goewey  
Director of Public Works

# Report of the Police Department

The Rindge Police Department continues to focus on the department's vision to provide professional, community-based policing service to the community of Rindge. As the Town continues to grow and prosper, we must work together in assuring that the Police Department has an adequate budget and personnel strength to meet the demands of the community. It is our commitment to the people of Rindge that we will continue to seek out cost-saving programs that will assist us in our mission of providing effective and efficient service to our community.

The year 2004 has brought many changes to the Rindge Police Department with many officers departing this year to start careers in other communities. With a continued high rate of turnover within the Department, it was my goal this year to work with the Town Administrator, Personnel Committee and the Board of Selectmen to address this issue in order to reduce the turnover and develop a staff that will come to Rindge and stay in order to develop that vital connection between the police officers in a community and the community members. This type of turnover also creates a financial burden on the community because of the high cost of replacing, training and recruiting new officers. This is a cost of approximately \$8,000 to \$10,000 to replace each officer.

This was accomplished after many months of meetings and discussions with the Personnel Committee and wage surveys conducted by both the Personnel Committee and the Police Department; with this information the Selectmen agreed to adjust salaries to a level that makes the Rindge Police competitive with other police departments in the area. Now Rindge can offer attractive salaries and benefits to attract, recruit and retain officers. I would like to thank Sarah Quinlan for her assistance this year with the wage survey she conducted for the Police Department.

The importance of this increase was very evident in the recruiting of Frank Morrill from the Peterborough Police Department to come over the Rindge to be the Sergeant here. Frank is a welcomed addition to the Police Department. Frank has 12-years experience in law enforcement and is very familiar with Rindge having lived here for 6 years. Frank's attention to detail and professionalism will only enhance our ability to provide great service to Rindge. We have also had two vacant full-time positions in patrol, this year as well, which has impacted our patrol time. One of these positions has been vacant since July and one has been vacant since November. Over the last few months, we have been recruiting and testing to fill those vacancies and we hopefully will have both positions filled by mid-February.

As we close on the year 2004, the Police Department would like to thank many of our community members and businesses that not only helped the Police Department in the past year, but made the Town of Rindge a safer place to live, work, go to school and visit. Partnerships with such entities as Boss Construction, Rindge Car Wash, Dunkin Donuts, Foggs, Valley Marina and Recreation, Alpine Motors, Marshall's Mini-Mart, Wal-Mart, Franklin Pierce College, RAMS, and many others that enable us to carry our mission of public service in greater ways than we ever thought possible.

We also would like to thank those in the community who partnered with this agency in ensuring the tranquility of New England life during the past year. This included Paul St. Pierre and his efforts in the Annett State Park, Constable Lawrence Harris for his 33 years of dedicated service to the Community of Rindge. We would also like to thank the Fire Department, Highway Department, Town Office Staff and the Recreation Department for working together with the Police Department throughout the year to ensure adequate service to the Town.

Evelyn Wilkie continues to remain in position as Office Manager/Records Manager/Dispatcher with her fourth year anniversary coming in April 2004. This position is a key element in supporting the members of the Police Department and the community. Without Evelyn keeping us straight, we would have to dedicate much more time in the Police Department instead of being on the road protecting the community. Thank you very much Evelyn and keep up the good work.

While this report will summarize the statistical aspects of what the Police Department accomplished in 2004, we want to emphasize the significant deeds that our members completed throughout last year.

This year's fundraiser in conjunction with the Rindge Athletic Men's Association (RAMS) to raise money for the RAMS boosters as well as the Rindge Police Department and Fire Department was a huge success. We again hired All-Pro Productions to handle the fundraising and arrangements for the All-Star Night of Comedy held at Hidden Hills on November 22, 2004. This event was so well received there was standing room only for the first show and a large crowd for the second show. Due to the generosity of all those who attended and other contributors, we were able to raise a lot of money to put towards the community. Contributions were received from Rindge residents and businesses as well as many other contributors from around the Monadnock region and into Massachusetts. All contributors were shown in the book that was passed out that night, either in a listing or with the ads that were purchased. Our grateful thanks to all those who made this show and fundraising such a huge success. We look forward to 2005 and hope to be able to increase it's popularity and bring townspeople together with the public safety providers within the Town of Rindge. The money we raised through this event allowed the Police, Fire and Rams to donate \$10,000 dollars to the community for the purchasing of playground equipment at Rindge Memorial School.

This year the Rindge Police Department will again be able to offer a scholarship at the High school for a graduating senior to further their education. The Police Department will continue to support and work closely with Cub Scout Pack 308, as well as provide

mentorship to the Boy Scouts during the next year. We will also continue to have interns from the local high schools and Franklin Pierce College who express an interest in pursuing a law enforcement career.

### Grant Administration

The Police Department took a proactive approach to grant opportunities throughout 2004. We successfully obtained two highway safety grants, one of which allowed for officers to seek out drunk drivers and reduce the number of traffic accidents around Rindge. The grant paid for the overtime accrued during the enforcement detail. The second grant was from the office of Fish and Game. This grant allowed the officers to patrol the trails and paths monitoring the off-road vehicles traveling in the town. Don Little, the owner of Keene Motor Sports and a Rindge resident, has donated a 4-wheeler to the department for use during patrols like these. I would like to thank Mr. Little for his assistance with this contribution to the community.

Rindge Police has also participated in PAACC details in order to control underage purchase and use of alcohol, along with decreasing the incidents of driving under the influence of alcohol or drugs. The Cheshire County Sheriff's Department instituted this grant. As always, we will continue to seek out alternative funding programs to offset the impact of our budgetary needs in order to provide the best service to our community.

### Prosecution

Martha Jacques was hired in 2004 to prosecute the Rindge Police Department court cases and will continue to do so this coming year as well. This past year was a very busy year in the prosecuting area. Even being short staffed this past year, our court cases continue to rise to almost a 100 cases more than last year.

### Operations

We have seen a significant increase in calls for service and criminal offenses in the Town of Rindge again this year. In 2004, the police department handled **776 offenses**, while filing **301** criminal investigation reports. The proper reporting of crime is absolutely essential to an investigation and having the ability to properly investigate these crimes is essential to any police organization. The police department was inundated with investigations this past year, ranging from minor property crime to serious felony cases. There were **369** arrests made during 2004, ranging from motor vehicle violations to major criminal arrests. General calls for service amounted to **18,161**. The attached graph will show the general increase of calls for service over the past five years.

**Calls for Service 2004 - 2000**

During 2004, Rindge Officers conducted over **11,348** business and residential checks. In light of the increased calls for service, the Police Department also tries very hard to be proactive to reduce accidents and crime by having an aggressive motor vehicle patrol program. But due to the large increases in the case load and a large turnover in personnel, we have not been very effective in this effort in 2004. This year we hope to address this issue by applying for grants, partner with other communities and use equipment they have available to reduce speeding within the community.

In 2004, the department handled the following motor vehicle related incidents:

- **38 DWI Arrests**
- **142 Reportable accidents (55 with Injury)**
- **Issued 2,161 warnings**
- **Issued 645 summonses**

With the limited resources within our department, it is not physically possible to have the roads in town patrolled as much as residents would prefer – especially with speeding issues. With the residential and commercial growth that is happening within the Town of Rindge, it will be even more difficult to have an officer staged on streets to watch for traffic violations. The officers must be available to respond to all types of calls. Last year, we made an effort to have directed patrols cover many roads, but with the turnover and lack of personnel available, we have not been able to continue these during 2004.

Our Animal Control Officer handled over 882 animal complaints throughout the year. We have developed a new forfeiture process regarding animal situations and will proactively address the chronic and repeat animal issues to ensure a reasonable balance between animal ownership and quality of rural life. Thanks Larry for doing such a good job.

### **Department Goals**

Several of the Rindge Police Department goals are long term and on-going in nature. To achieve the goals of quality, professional and ethical service, the Department must continue to remind itself that it exists to service the entire community. We have strived to ensure that our officers receive quality and up-to date training and provide them with the necessary tools to get the job done. While we have achieved many of our objectives during the past years, we are committed to the these short term and long-term goals:

- To continue to effectively address quality-of-life issues that requires police intervention in the community. Our position and philosophy of community-based policing will help us involve the community in problem solving and address these issues as they surface.
- Career Development of our officers to ensure they grow as professionals, which also includes retaining these good officers. This will be accomplished through training, skill assessment and interest identification.
- We will continue to maintain a collaborative relationship with Franklin Pierce College, the School District, as well as other federal, state and local agencies.
- We will continue to address the Capital Improvement Plan for the Department, primarily addressing the future prospect of an improved Public Safety Building for the Police and Fire Departments.

I would now like to thank the members of the Rindge Police Department over this past year. Frank Morrill, David Blake, Aaron Thompson, Dan Anair, Andy Wood, John Vargas, Rachel Derosier, Richard Comerford, Larry Harris and Evelyn Wilkie. I know it has been a year filled with uncertainty and turnover and I hope that is behind us now so we can move forward with developing good working relationships within the department and more importantly within the community. Thank you all for being patient and supporting the community.

On behalf of all the members of the Rindge Police Department, we want to thank the community for their support throughout the past. We must remember that it is up to all of us to be involved in the safety of this community. We encourage all of our community members to become involved, report suspicious activity, drive responsibly and be proactive with your own house and family safety issues.

Together, we will move forward to ensure that Rindge remains safe and a community we all can be proud of.

On behalf of my staff,

I respectfully submit this annual report.

Michael J. Sielicki  
Police Chief

# Report of the Fire Department

The Rindge Fire Department experienced another busy year in 2004. The department responded to 600 emergency calls for assistance, which is down 13 calls from last year. Emergency medical calls accounted for 219 of these calls. The Rindge Fire Department operates with 2 full-time employees and 1 part-time employee during the daytime hours. One of the full-time positions and the part-time position is shared with the Building Department. The department also operates with 22 call members for the evening and weekend hours with the daytime employees helping with the duty crews.

The Fire Department will focus on building its call membership during 2005. This is a very important task for many reasons, which include firefighter and public safety, helping with the towns tax rate and many more. Without these dedicated individuals we would have to hire full-time employees to preserve the safety and respond to emergency calls. These members are paid by the call instead of manning the station. All members carry pagers that are activated by Keene Mutual Aid Dispatch when there is a call for emergency assistance. This allows the members to carry out their normal daily activities and respond as needed. The department is set up with 4 rotating duty crews. These crews handle the lower priority EMS and fire calls. Each crew will be on stand by 1 night per week and 1 weekend per year. In the event of a high priority call, all available members respond. Many new people that move to rural areas do not know that we don't have a full-time Fire Departments and rely on the citizens to work as a community. If you are interested in making a difference, please contact the Director of Public and Life Safety for more details.

The Rindge Fire Department has accomplished many goals and tasks in 2004. The department purchased 25 new sets of Structural Firefighting Gear, 8 sets of EMS Gear, 4 sets of Extrication Gear, Laundering Equipment for the gear and a SCBA Filling Station. All this equipment was purchased through a FEMA Grant that the town was approved for 2003. In 2004 the Department was approved for another FEMA Grant that will be used to purchase Extrication Tools and Rescue Equipment. In the upcoming year, the department will continue to apply for grants and improve its efficiency and quality of service. We will also continue the following:

- Provide quality, professional and efficient service
- Increase public relations
- Provide Fire Prevention and Education Programs
- Provide community CPR and First Aid Programs
- Provide free Home Fire Safety Programs
- Develop training programs that will help the members be prepared for almost any emergency situation
- Develop preplans for every street and road in the town along with water supply plans
- Increase the available dry hydrants within the town
- Develop and implement a computerized Preventive Maintenance Program for RFD equipment and apparatus
- Increase the members of the Rindge Fire Department
- The Rindge Fire Department will be strongly investigating the best plan to improve the Ambulance Service for the town. The Jaffrey-Rindge Ambulance Service is currently operating under the direction of a newly formed Board of Directors. This board is challenged with improving the services response, financing, daily operations, and membership. We will continue to monitor their progress and ensure the best service for the town.

The members of the department are a proud group of individuals who are dedicated in their mission to preserving the safety of the citizens and to provide services or assistance whenever called upon day or night. I would like to thank all members of the Rindge Fire Department for their service. I would like to also thank all the other departments for their support and help.

Respectfully Submitted,

Rickard Donovan  
Director of Public & Life Safety

## Mission Statement

*"To protect the citizens of the Town of Rindge from emergencies and disasters through aggressive fire suppression, emergency medical response, hazardous materials emergency management, fire prevention and public education, and pre-emergency planning."*

## Personnel

1 Full-Time Fire Chief, 1 Full-Time Firefighter/EMT, 1 Part-Time Office Assistant, 4 Firefighter/EMTs, 4 Call EMTs, 9 Call Firefighters and 5 Franklin Pierce College Temporary Call Firefighters currently staff the Rindge Fire Department. Additionally, Aid provides other personnel and equipment from surrounding communities.

The Rindge Fire Department maintains minimum training levels for all emergency responders in accordance with the National Fire Protection Association's recommendations. All members are required to participate in mandatory training, infectious disease training and monitoring, and mandatory random drug testing.

Call-  
Mutual

## Rindge Fire Department Member Roster

### Full Time

26C1	Rickard Donovan	Chief	Firefighter II / EMT-B
26K1	Ken Whicker	Fire Prevention	Firefighter II / EMT-I

26C3	Dale Norby	Deputy Chief - EMS	EMT -I
26302	Carla Pyhala	Member	Ride A-Long
26304	Chris Smith	Member	EMT-B

## Fire Prevention and Education

The Rindge Fire Department continues its Fire Prevention and Education Programs in the schools and other public and private events. The R.F.D. continues to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs, and CPR and First Aid to local businesses for their employees. The R.F.D. also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections to businesses and multi-family dwellings located in town. The R.F.D. maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

As a part of the R.F.D.'s "FREE Home Fire Safety Inspection" program, we still have FREE smoke detectors available to any homeowner. Contact the Fire Chief's Office at 899-5181 ext. 110 for more information.

## Apparatus Brief

The R.F.D. has purchased and put into service the 2004 Ford F-250 Pick-Up approved at last years Town Meeting. We have already received many benefits from this vehicle. It has been used several times transporting equipment to and from emergency scenes. This vehicle is also set up for EMS calls and has responded many times to second calls when the Rescue was at another incident. The vehicle replaced the 2000 Ford Explorer and serves the same functions, but more efficiently and effectively.

The town has also received a 6 X 14-foot Utility Trailer from the Homeland Security Department for its Emergency Response Plan. This trailer will be in service this spring. This trailer will used for many emergency related incidents to include Emergency Management Responses and Equipment Storage, Major fires, Major accident scenes, and First Aid Station at town events

## Apparatus & Equipment

The R.F.D. has an on-going vehicle maintenance program in an effort to keep all emergency apparatus in a state of constant readiness. This program includes three phases: in-house bi-weekly vehicle checks: in-house fluid, filter, and lubrication, as well as, pump and ladder maintenance: and lastly, major repairs performed by outside contractors. The cost of preventative maintenance is far less than the purchase of new apparatus. In our long-term planning, we have scheduled vehicle replacements based on the National Fire Protection Association's recommendations of a 20-year lifespan on fire apparatus. With current apparatus and future growth, this 20-year cycle will keep the R.F.D. a modern and progressive organization.

In an effort to keep all equipment in a state of readiness, the R.F.D. maintains and tests all department equipment throughout the year. Generators, portable pumps, chain saws, vent fans, and automatic defibrillators are tested bi-weekly. Ground ladders are cleaned and tested by an independent test company on an annual basis. All Self Contained Breathing Apparatus are cleaned and tested weekly, as well as serviced by the manufacturer annually.

The R.F.D. will consider implementing a Computerize Preventative Maintenance Program this year hopefully. This will allow to better track our equipments maintenance, repairs, costs and also track our inventory of equipment and spare parts. We will be researching to find the best program to fit our needs. If pricing allows, this program will be in place by the end of the year.

The Rindge Fire Department recovered \$1909.41 in restitution for 2004.

# Report of the Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Rickard Donovan, Rindge Fire Department and the State of New Hampshire Division of Forest and Lands cooperate and coordinate to reduce the risk of wildland fires in NH. To help us assist you, contact your local Forest Fire Warden or Fire Department at 899-3324 to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information contact the Division of Forests & Lands (603) 271-2217, or online at [www.nhdf.org](http://www.nhdf.org).

This last year was fairly wet throughout the spring and summer months, however we finished the season with an active fall fire season. In order to meet an increased demand for services, the Forest Protection Bureau was reorganized into three regions with smaller Forest Ranger Districts and over the last several years we have added two Forest Rangers. The fifteen state fire towers were the first to report on many fires throughout the state and they completed many other projects on the low fire danger days. The state implemented a program called Tower Quest to help citizens learn about fire towers and the need to protect New Hampshire's forest resources. The United States celebrated Smokey Bear's 60<sup>th</sup> birthday in 2004, and celebrations were held throughout the state. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire smart and fire safe!

## **Rindge Fire Department Burn Permit Schedule**

Permits will only be issued after the state "Daily Fire Danger Class" announcement at 10 AM and 2 PM Monday thru Thursday and 2 PM on Friday, at the Town Office. Weekend permits will be issued after 2 PM on Friday. You can obtain a Burn Permit on the day you plan to burn at:

### FIRE STATION

Mon. – Thurs. 8 AM – 2:30 PM

### TOWN OFFICES

Mon. – Thurs. 2 PM – 3:30 PM

Friday 8 AM – 1 PM

### AFTER HOURS AND WEEKENDS

Page the on duty Warden or Deputy at 603-517-1935

Monday – Friday: 5 PM – 9 PM

Saturday – Sunday: 9 AM – 9 PM

### NOTE

- You must obtain a Burn Permit for all outside fires.
- You must notify the on duty Warden of a burn when there is snow cover.
- If we are out of the station or office during the scheduled time frame, please wait or call later, we may be on an emergency call or an inspection.
- Please DON'T call the Warden or Deputy Wardens at home. Call the pager.
- Please allow time for the Warden or Deputy Warden to call back after paging them. They could be on an emergency call or busy at that time, but will call you as soon as possible.
- It is the responsibility of seasonal permit holders to check the Danger Fire Class.
- It is illegal to burn household trash, treated wood, logs bigger than 5", etc.). Please contact Warden or Deputy Warden if what you are burning is questionable. Only clean wood can be burnt.
- If you ignite a fire without a permit, the Rindge Fire Dept. will extinguish it at the owners or responsible parties expense.

# Report of the Building Department

The Rindge Building Department had a very busy year in 2004 with over 650 inspections. One of the many goals for 2004 was to update the permit process to be clearly understood by all involved. We also updated the inspection process to ensure that all applicable codes are met and all contractors performing the work are properly licensed in the State of New Hampshire. The Rindge Building Department updated its fee schedule, which is competitive throughout the region. We will continue to look at ways to clarify the process for obtaining the necessary permits and documentation for commercial building, occupancy and operation permits. This information will hopefully help the permit process go smoothly. In 2005, I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

The Town of Rindge Building Department issued sixty-eight (68) Residential Single Family Dwelling Permits; two (2) Townhouse Condo Units (8 units in each); one hundred three (103) Residential Accessory Permits; nine (9) Swimming Pool Permits; four (4) Commercial Accessory Permits; three Demolition Permits; fifty-four (54) Electrical Permits; one (1) Plumbing Permits; twenty-three (23) Fire Safety Permits; ninety-seven (97) Occupancy Permits; one (1) Conditional Use Permits. All of these permits generated revenue to the Town of Rindge totaling \$6,9743.40. (Building - \$66,507.20, Electrical - \$2,060.00, Plumbing - \$400.00, Fire Safety - \$776.00)

Sincerely,

Rickard J Donovan  
Director of Public & Life Safety

## 5-Year New Residential Building Permit Trend

Year	2000	2001	2002	2003	2004
Total Permits	44	46	58	96	84

2003 Totals reflect 2 Townhouses with 6 units in each

2004 Totals reflect 2 Townhouses with 8 units in each

NOTE: Permits are required for all construction within the Town of Rindge including sheds, outbuildings, decks, pools and sundecks, etc. A permit is also required for demolition of a structure. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd.

# Report of the Recreation Department

## Mission Statement

The mission of the Rindge Recreation Department is to offer a variety of high caliber programs for all ages to meet the needs of the Rindge Community; and to provide & develop safe, quality recreational facilities that will serve the community now and for future generations.

## Many Thanks

Having finished my first full year as Recreation Director I have come to appreciate, even more, the importance of all of the wonderfully committed volunteers who made this past year a successful one. Peggi Brogan (Program Assistant) and I are grateful for the support and kindness given to the department during a very trying year. We would like to extend a heart felt thanks to the dedicated seven (7) individuals who volunteer their time serving on the Recreation Committee, Lynn Derr, Nancy O'Loughlin, Jean Kundert, John Ciarcia, David Drouin and our two newest committee members, Carl Russell and Tony D'Ambrosio. As usual, we depend greatly on the hard work, continuous support and assistance provided us by the Public Works Department, Fire Department, Police Department and Town Office Personnel. Many thanks to the members of the Rindge Chamber of Commerce for taking on two of our biggest events as co-sponsors for the Family Festival and the Senior Holiday Dinner. A special thanks to the many groups, clubs, organizations, businesses and individuals who have given so generously to the Recreation Department through time, donations, contributions and monetary donations.

## Year in Review

A major goal for the Recreation Department for 2004 was to continue providing new opportunities in programming and events along with the scheduling of our traditional programs the community has looked forward to for many years. We introduced a three (3) week teen aged summer program called S.O.A.R. that provided middle school aged youth with an opportunity to experience canoeing, kayaking, hiking, biking, camping and other outdoor activities.

Our youth sport programs added an additional session per week for each age division devoted strictly to skills development in soccer and basketball. There was a great turnout for both the baseball camp and to the introduction of floor hockey as future programs for the department. Music and hip-hop dance were also offered during 2004.

For the adults and young adults both an under 30 pick-up basketball program and an over 30-softball league were added along with PILATES and Yoga.

The community's support of all the annual events taking place throughout the year was once again outstanding. From the Easter Egg Hunt held for the first time on Center Common and Meeting House, to the Senior Holiday Dinner, Tree Lighting & Santa's Breakfast in December and events in-between, the enthusiasm, attendance and volunteer support continues to be great. The turnout for the Second Annual Rindge Family Festival "Stars and Stripes Day" held during the July 4<sup>th</sup> weekend was greater than the first. Co-sponsored by the Rindge Chamber of Commerce, the all-day event grew with the addition of a food court, added games and attractions around the common and musical performances by local youth and adult musicians with the Children's parade, bike decorating contest, and an outstanding performance by the Air National Guard Band of the Northeast with a big fireworks finish put on by Atlas. We would like to thank all those individuals, businesses, organizations and clubs who generously donated money and time to make this event a truly successful one.

## Facility and Program Additions/Improvements:

- Up-grades in equipment for the Wellington Park Concession stand
- Break-away portable fence for Wellington Park baseball/softball field
- Resurfaced instructional field and top dressed the baseball/softball field at Wellington Park
- S.O.A.R. (Summer Outdoor, Adventure, Recreation) Camp for middle school age youth (3 weeks) based at Toah Nipi Retreat
- Baseball Camp at Wellington Park
- Added live music during Harvest Fair
- Music classes for toddlers and pre-school children
- Hip Hop classes for middle school and high school age students
- Trips to Rye Airfield and Shrewsbury State Parks for youth (all ages)
- YOGA Classes and Fit for Life Exercise Classes
- Lake Host Program for Poole Pond (Weekends from Memorial day through Labor day)
- Added extra weekday skill development time for each division in soccer and basketball
- Introduction to Youth Floor Hockey
- Ski Club to Crotched Mountain (grades 3 thru 5)
- Adult under 30 Basketball program
- Adult over 30 Softball league

## Report of the Ingalls Memorial Library

We welcomed Georgiana M.L. Connor as our new Children's Librarian this year as Kathy Fedorka has moved out of town and we wish her the best. Mrs. Connor will continue with storytime, the summer reading program, and other interesting programs. Last year we added an additional day per week for morning storytime which means storytime meets twice weekly on Monday and Thursday. Mrs. Connor has also started a reading club and Home School Program. The circulation has increased in the Children's Room in 2004 and the circulating puppet collection has been a success.

Debra Qualey and Marsha Washburn have also joined our staff this year as Librarian Assistants. You will meet them at our Circulation Desk along with our volunteers.

Our wonderful volunteers have done it again. They have given us 865 hours of service this year. We would like to thank adult volunteers: Sarah Aho, Laurel Cameron, Rose Dark, Betsy Harper, Flossie Hastings, Eva Hornak, Kathy Isakson, Pat Jordan, Priscilla Leslie, Alice Nagahiro, Julie Skinner, Susan Valcourt, Karen Van Houten, Barbara Walsh, Margie Wetherbee, and student volunteers: Nathan Connor, Melinda Donahue, Danielle Drouin, and Amanda Wiley for their dedication to the Ingalls Memorial Library.

The Friends of the Library have also done a great job for us, again, this year. The on-going book sale has helped the Friends purchase the New England Aquarium pass from January through June of 2005.

Our library is open 31 hours per week.

Number of Registered Borrowers: 4445

Adult Materials Checked Out in 2004: 19,178

Children's Materials Checked Out in 2004: 19,250

Total Number of Checked Out Materials in 2004: 38,428

New Acquisitions:	Adult Books 1420	Children's Books 902
	Other (videos, etc) 226	Other (videos, etc) 84

Number of Materials Owned: 36,200

Internet Use: 718 patrons used our Internet service in 2004

Respectfully Submitted,

Diane Gardenour  
Library Director

## Report of the Ingalls Memorial Library Trustees

2004 has been a year of changes, improvements and planning at the library.

There are some new employees assisting patrons and Georgi Connor is now our Children's Librarian.

Through the generosity of patrons and grants received we have been able to improve various areas of the library. We have updated computer technology and set up additional computers. Patrons now have three computers available. Internet use by patrons increased over 50% in 2004. A grant from the Hunt Foundation was used to purchase new shelving, giving a facelift to our storage area.

This year we have been discussing and reviewing various options for improving the parking lot and traffic flow. The project is in the planning and design stage.

The board now includes a total of three alternate trustees to serve in the absence of any board members.

The board of trustees would like to express our appreciation for the work done by our staff, volunteers and Friends of the Library.

Respectfully Submitted,

Flo Marsh, Chairman  
Library Board of Trustees

# Report of HCS

## Home Healthcare, Hospice, and Community Services

In 2004, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Rindge. The following information represents HCS's activities in your community in 2004.

### Service Report

Nursing	877 Visits
Physical Therapy	161 Visits
Speech Pathology	61 Visits
Occupational Therapy	6 Visits
Medical Social Worker	52 Visits
Outreach	9 Visits
Homemaker Hours	102 Hours
Adult In-Home Care	1,978 Hours
Home Health Aide	857 Visits
Home & Community Based Services*	1,296 Hours
Health Promotion Clinics	12 Clinics
Meals-On-Wheels	1,039 Meals

\*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care, but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 124

Prenatal and well child care, and adult day care and hospice services are also available to residents. Town funding partially supports these services.

### Financial Report

The actual cost of all services provided in 2004 with all funding sources is \$271,847.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by the town. In 2004, town support totaled \$3975.00 for home care and \$689.00 for the Meals-On-Wheels program.

For 2005, we request a home care appropriation of \$4598.00; \$3975.00 for home care and \$623.00 for the Meals-On-Wheels program for Rindge residents.

Thank you for your consideration.

# Report of the History Committee

The Rindge History Committee has had another busy year.

We continue to make progress on the preservation and cataloging of historic town documents as well as helping folks with genealogy.

Spearheaded by Chairman Amy Raymond, our biggest focus this year has been on education. Amy has been working with Professor John Harris of Franklin Pierce College. She lectured at the college and helped many students with their projects on Rindge History. We are also reaching out to students of all age groups and schools. The Rindge Museum will be open Tuesday nights from 7:00 p.m. to 9:00 p.m. when area students are assigned homework on Rindge history. There are many people who are experts in specific periods of history and they have generously volunteered to share their knowledge. Any student who needs help and information should call the writer at 899-5558.

Interest in old houses in Rindge continues to grow and I apologize to many who contacted me and are still waiting for on site evaluations. I will try to get to everyone as soon as I can.

The Committee is looking for volunteers to research old mills in Rindge. There were many in the east and west part of town. We will share the information we have, but there will be a lot of research involved.

We would like to hear from anyone who has knowledge in different eras. We would particularly like to hear from WWII and Korean veterans.

Anyone who needs information or would like to make an appointment to come to the museum can call me from 9:00 a.m. to 12:00 p.m. or 6:00 p.m. to 9:00 p.m. at 899-5558.

Respectfully Submitted,  
Linda Bussiere  
Secretary Rindge History Committee  
Curator, Rindge Museum

Elizabeth Sampson

# Report of the Community Facilities & Open Space Plan Committee

At the March, 2004 Annual Town Meeting, the Town voted to appropriate Twenty-five Thousand Dollars (\$25,000) to be used by a Community Facilities and Open Space Plan Committee (the Committee) to develop a comprehensive plan for Town facilities and open space. A Committee comprised of members of Town boards, committees, commissions, Town departments, and citizens was appointed by the Selectmen on April 14, 2004. Shortly thereafter the Committee hired Jeffrey Taylor who had served as the head of the New Hampshire State Office of Planning for three (3) Governors as its consultant. Mr. Taylor worked in collaboration with the Architectural Firm of Corzilius, Matuszewski, Krause (CMK Architects) in assisting the Committee with its work.

During 2004 the Committee met 19 times. The Committee began by preparing an inventory of existing Town facilities and Town owned parcels of land. An Open Space Plan subcommittee (the Subcommittee) was appointed to develop recommendations for an Open Space Plan, which is included as part of this Report. The Committee held two (2) Public Hearings to obtain public input.

## Summery of Community Facilities

### Evaluation:

- Both Police and Fire Stations are inadequate and need to be replaced.
- The Town Public Works facility no longer meets the needs of the Public Works Department. The existing site near Rindge Center is adequate for a new facility.
- The Town's main recreation facility is the Wellington Field area, which is currently overburdened and in need of expansion.
- The Town Office building is minimally adequate, with its primary shortcomings being lack of meeting and storage space.
- The Meeting House continues to be the centerpiece of the Town and has been restored and maintained in good condition.
- The Ingalls Memorial Library serves the Town well, with its only need being additional parking and better traffic circulation.
- The Rindge Historical Society and museum building is in need of upgrades so as to be adequate for preservation of valuable Town items and documents.

### Recommendations:

After completing the inventory and evaluation of the Town's existing facilities, the Committee focused on prioritizing those facilities in most need of repair or replacement.

- Top priority is the replacement of the existing Fire and Police Stations with a new Public Safety Complex, housing both Police and Fire Departments, which would be located on the present site in Rindge Center. Purchase of a small parcel of land behind the present buildings may be necessary.
- Construction of a new Public Works facility at its present site should be presented for a vote by the Town at the March 2005 Town Meeting.
- Expand the Recreation Department into a Parks & Recreation Department, and move forward with the expansion plan for the Town's Recreation Facilities at Wellington Field.
- Explore the purchase of the Martin House near the Converse Meadow land, which could serve as the Recreation Department Office, thereby making available additional office and storage space in the Town Office Building.
- Reserve five acres of land owned by the Town, abutting the Town Office parcel for future expansion of Town Offices.
- Continue to maintain the Town Meeting House in its current excellent condition.
- The Museum building has space and charm and the Historical Society would like to restore the building to the attractive home it was in the past. The committee recommends that the artifacts, owned by the town, be kept in a climate controlled environment.
- Continue to support the concept of a community center and senior housing in close proximity to Rindge Center.
- Continue to investigate opportunities for public/private partnership for senior housing, and for the restoration of economic activity in Rindge Center.
- Preserve as much land as possible near the Town center for Town use.
- Adopt a mechanism to acquire important land or buildings that may become available for future community facilities.

## Summary of Open Space Plan

### Evaluation:

The Town currently owns land that is not developed for municipal facilities but is retained as vacant open land. Some of this land has been acquired by the Town for conservation purposes. Other land that has been deeded to the Town by various means (either donation, tax lien, etc.) is important for conservation purposes and has been earmarked as such by the Conservation Commission. However, to date there is no formal plan or methodology involved in acquiring and/or permanently protecting land for the future as open space.

Even without this formal plan the Town has shown a commitment to this process, most recently by the purchase of Converse Meadow. In addition, several private landowners have placed conservation easements on their property, permanently protecting it for the future. The Society for the Protection of New Hampshire Forests recommends that all New Hampshire Towns set aside a minimum of 25% of land in the town as permanently protected open space. This will help ensure that future generations have drinkable water, renewable forest resources, and productive agricultural lands while protecting key habitats as well as the uniqueness of the community that many identify as the rural character of the Town.

Due to our location and the NH tax advantage that comes with being a border town, Rindge will always be an ideal place for families and businesses to locate. Without a formal open space plan, we will be unable to preserve the land that should be set aside to meet the goals, not only set forth by the Society for the Protection of NH Forest, but also to provide for the same kind of quality of life for future generations to enjoy.

### Recommendations:

- Adopt a mechanism to provide permanent protection for conservation lands owned by the Town of Rindge via a Warrant Article at Town Meeting March 2005.
- Provided the Warrant Article to permanently protect conservation land is passed, permanent protection should immediately be placed upon the following Town owned lands: Converse Meadow, the Town Forest and Tetreault Park. These are primary targets of conservation importance. Other town lands may be deemed important for permanent protection in the future.
- Support the Planning Board's efforts to revise the Open Space Chapter in the Town's Master Plan.
- Proceed on the plans proposed and funded by the Conservation Commission to complete a Bio-Diversity Study and incorporate this into a Natural Resources Inventory of the Town. (This will be done in coordination with Planning Board efforts.)
- Expand the current Recreation Department into a Parks and Recreation Department to implement the management plan developed by the Conservation Commission for open space land that can be used either partially or wholly for Recreation purposes
- Complete an analysis of large parcels in town, including land in Current Use to identify land that may be important for future protection as well as conservation priority areas.
- Establish a Town Agricultural Commission that includes local farmers.
- Encourage private landowners to consider protective easements.
- Adopt a mechanism to acquire important open space land that may become available.

Respectfully Submitted.

Richard Mellor

# Report of the Capital Improvements Committee

## Capital Funding for 2004 through 2011

Your Capital Improvement Committee is pleased to present to the Town of Rindge the Capital Improvements Program it developed to fund all planned capital additions and replacements, such as fire trucks and public works apparatus, requested by the Town's various Department Heads. The Program also funds the construction of three major and one smaller building project.

The Program includes the funding of the construction of a new Highway Garage and office area in 2005 at an estimated cost of \$1,000,000; completion of two new baseball and soccer playing fields at Wellington Field at an estimated cost of \$500,000 in 2007; the planning and construction of a new Public Safety Building, housing both the Police Department and Fire Department along with public meeting rooms, at an estimated cost of \$3,000,000 in 2007; and a smaller Library driveway project of \$225,000. The Program includes the bonding of the Garage, ball fields, and Public Safety Building. The Highway Garage project requires a 20-year Bond in the amount of \$800,000 plus \$200,000 already set aside in Capital Reserve. The Public Safety Building project calls for a 20-year Bond of \$3,000,000. The Wellington Field project will be funded with a 20-year Bond. The Program includes all engineering costs of the projects and all debt service requirements (principal and interest) for the 3 Bonds. It also includes the cost of the proposed Library driveway, parking, and septic plan, as well as providing necessary funding for the Town-wide Revaluation of property values as required every 5 years by NH law.

To fund all of these necessary projects and capital expenditures, the amount of Capital Reserve funding gradually increases from \$275,000 in 2004, to \$300,000 in 2005, and ultimately to about \$400,000 in 2011. The Capital Improvements Committee has reviewed each of the project requests from the Department Heads, endorses them, and has attempted to prioritize them to fulfill the needs of the Town. We believe the projects presented herein are amply justified and, considering the extent of the development projects included, the gradual increases in annual funding of the Capital Reserve to support them are appropriate. We unanimously endorse the CIP, as presented.

The CIP Committee has included the capital needs projection of the Jaffrey-Rindge Cooperative School District to inform the Townspeople and to calculate Impact Fees.

We also included information by which readers may assess the relationship of the CIP to the Town-wide property valuation and tax base so as to calculate the impact of the proposed CIP may have on the tax rate for the next 8 years.

Respectfully Submitted,

Ted Covert, Chair

David DuVernay, Vice Chair

Note: The CIP Committee acknowledges that DRA has advised the Town that Bond interest and principal may not be dealt with in the CIP; we also recognize that the Board of Selectmen have full authority to change the Plan recommended by the Committee and have done so.

# Report of the Rindge Representatives to CNBRLAC

**The Contoocook North Branch River Local Advisory Committee (CNBRLAC) is appointed by the NH Department of Environmental Service to advise the state and local municipalities about matters pertaining to the health of the river RSA 483**

As our town's representatives to this committee, here is a brief summary of what we have been doing to help protect our river for the benefit of all types of uses and to educate others about the river that connects us with nearby towns.

## **Educational Efforts**

We created a flyer about the river and our work. In June we exhibited at Jaffrey Riverfest. We have created an educational display with help from Monadnock Paper Mill and have recently received a small grant from DES to do further outreach. We also had displays available at many of the town meetings last March.

## **Monitoring**

We took part in the national Secchi disc dip in the summer. In November students/teachers from Conant and Conval High Schools reported to us on their recent monitoring along the river.

## **Issues of concern**

The following are topics of concern we worked on this year. *Let us know your concerns!* All meetings are open to the public. We normally meet the third Monday of each month at Antrim Town Hall.

- Invasive Species- We continue to work on the invasive species of plants and animals that are affecting our river and surrounding wetlands.
- Dams- We followed closely the removal of a dam in Henniker, repair of dams in Bennington, and the breach of a dam in Deering.
- Pollution and filling affecting river- We wrote letters of concern about the proposed Bioenergy plant in Hopkinton, the construction of a proposed Walmart in Hillsboro, and the continued violations of shoreland protection act of Carpenter Ford in Hillsboro, and proposed building of three airplane hangers in floodplain in Deering. We also sent letters of advice on any dredge and fill permit applications for which we received copies.
- Drinking Water supply- Since Concord uses water from our river as part of their drinking water supply, and Jaffrey is desperately searching for water supply, we try to keep abreast of their efforts and any projects in other towns which could affect this need for clean water.
- Land for sale/easements - We are aware of the pressure of development in all towns, and looked into large pieces of river frontage in Hancock and Henniker for sale. River frontage in Bennington, Rindge and Deering has all been put in easement this year. We wrote a letter supporting a change in zoning for land along the North Branch of the Contoocook in North Antrim from commercial to rural.

## **Review of management plan**

We began reviewing our Contoocook River Management Plan which is now ten years old. We plan to shorten it and provide it to all our towns as they revise their master plans. This process is ongoing.

## **Plans for coming year**

We plan to offer a tour along the river this spring, start a volunteer monitoring program along the river, and finish the revision of our management plan.

Contact Shirley Carney (532-5813) or Bob Henderson (899-2035) for further information.

## Report of the Meetinghouse Oversight Committee

The Meeting House Oversight Committee met several times in 2004 on matters concerning the upkeep and improvements of the building which is a source of pride to the citizens of Rindge. As the major center of activities for the people of Rindge and also serving as the Rindge Congregational Church, the maintenance of this historic structure is of utmost importance. At the same time, the Oversight Committee strives to upgrade this 208 year-old in cooperation with the Rindge Congregational Church, the Ward Fund and the Town of Rindge. All these institutions are represented on the Oversight Committee and serve cooperatively for the best interests of the Meeting House.

This year a long needed electrical upgrade was installed, paid for from a fund set up by the town. The Ward Fund made the installation of heating units for the front vestibule possible. And the church is installing a new elevator to replace the old chair lift. All of those involved continue to benefit all who make use of the beautiful edifice, a 200-year gift to the town from the past.

I would like to thank the committee members, Peggi Brogan, Dick Isakson, Bob Cleland, Selectman, Bob Martin, and Town Administrator, Ed Gadbois, for all their help and assistance.

Respectfully Submitted,

Norman May, Chairman

## Report of the Personnel Committee

Rewriting a constitution might have involved less time than it has taken to revise the Rindge Employee Handbook. In retrospect it would have been easier to start from scratch but the committee tried to work within the framework of a computer generated policy manual that the town adopted several years ago. Our attempt was to eliminate repetition, ambiguity and conflicting statements and to up-date the document to reflect current practices, compliance with the "laws of the land", establish consistency between departments, and insure fairness to both employees and taxpayers. With the help of many well-informed and interested employees and administration we think the task has finally been completed. We make no claim as to it being a perfect document but do feel that it represents an improvement and a basis for realistic refinement and improvement in years to come.

In addition to bringing closure to the Employee Handbook, the Board of Selectmen asked the Committee to review the existing Classification and Wage plan. This task occupied the Committee for the better part of the year and resulted in some modifications that should work to the advantage of employees and provide more flexibility for the town in administering the program. Our recommendations preserved the essence of the existing plan while increasing the starting wage for each job level and expanding the range for each level (minimum to maximum). This results in a more competitive wage structure in comparison to other towns and contributes to attracting and keeping qualified personnel here in Rindge.

Again, the Committee appreciates the input from all of those interested, concerned and knowledgeable administrative, employee and tax payers (including other towns) who have contributed to the end product and helped the Personnel Committee do a credible job.

Respectfully Submitted,

Cal Sholl, Chairman

## Report of the Cooperative Purchasing Committee

The Rindge Selectmen appointed a committee to investigate benefits to the town of Rindge of cooperative purchasing of appropriate items with surrounding communities, school districts, the County, the State of New Hampshire, and the Local Government Center in the spring of 2004. The committee originally consisted of Ted Covert, coordinator, and members, Art Speros and Don Umlauf. Mr. Umlauf and Mr. Speros resigned in the summer of 2004 for personal reasons. Walter Wright was appointed to the committee in the fall of 2004.

The committee visited and interviewed officials in Jaffrey, Fitzwilliam, Peterborough, Hancock, Dublin, New Ipswich, Jaffrey Rindge School District and Conval, and determined that there was a definite interest in such a program for commonly purchased items. We also learned that there was a fair amount of cooperative purchasing currently being done with the school districts, the State of New Hampshire and the Local Government Center. We learned that the town of Rindge is aware of these opportunities and using the State of New Hampshire, the local Government Center, and the school district for purchases if advantageous. We also found that Rindge could benefit from a computerized purchasing system, which is currently being implemented.

Concluding our study we recommended to the Selectmen the pursuit of cooperative purchasing for various items through the existing agencies in place, namely the school districts, the State of New Hampshire, and the Local Government Center. We agreed that we would further pursue purchase and sharing of equipment where appropriate. We will also continue to foster the exchange of information concerning cooperative purchasing and sharing of equipment with surrounding towns and school districts.

Respectfully Submitted,

Ted Covert, Coordinator

# Report of the Computer Committee

The Rindge Technology Committee was established in February of 2004. The committee consists of technology professionals from the immediate area, the Rindge Town Administrator, the Rindge Administrative Assistant, Rindge contracted Computer Technician and a Rindge Selectman. The Rindge Technology Committee has been assembled to perform the following tasks:

1. Assess and document all current computer hardware and software specification belonging to the town of Rindge.
2. Evaluate current use of the above technology and recommend additional uses.
3. On request, evaluate potential new technology; ensure technology purchases work well with existing systems.
4. Create a technology plan to move computers, servers, and network components to a common platform over time. This will ensure applications are compatible with each other. In addition, it will reduce technology support requirements over time.
5. Develop a technology-training plan for users of computers in town offices.
6. Develop recommendation for policies and procedures for the use, acquisition, and training for computer hardware and software.

Initially the committee met bi-weekly to ascertain the current status of the computer hardware, software, and training needs. As the year progressed, the committee met at the request of the town to evaluate computer hardware and software acquisitions.

Throughout the year, the committee has completed the following tasks:

- An inventory of both computer hardware and software has been completed.
- An E-Mail Policy and Computer Use Policy have been drafted and are under discussion.
- A review of the VADAR system and functionality was conducted to determine whether the system was meeting the needs of the town. The consensus is that it currently meets the town's needs. The conversion to the system was difficult. There was a steep learning curve in the understanding of the reporting capabilities. Now, having worked with the system, the users' group, and the vendor, departments are able to create reports needed for the town. The committee recommended the renewal of the contract.
- The committee reviewed the technical specifications of the Vision software and determined the required computer hardware upgrades needed for implementation. We recommended purchase of the hardware required.
- The committee reviewed the Maintenance Agreement Contract for 2005 and recommended approving the contract.
- The committee recommended computer based training; <http://www.velsoft.com/> to meet the Microsoft Office training needs of the Rindge administrative offices.

As we move forward in 2005, we will continue to act as a guide for the purchase and implementation of computer hardware and software. We will continue to work on the sharing of data between departments and with the residents.

Respectfully Submitted,

Carole Munroe

# Report of the Economic Development Committee

This is the first report of the newly appointed Rindge Economic Development Committee. The committee has been charged with advising the Selectmen on issues of Economic Development in Rindge. We are very fortunate to have an extraordinary group of individuals involved.

Established during the last quarter of 2004, our initial focus was (and continues to be) on collecting and reviewing any available background information, such as the reports of various committee efforts such as the Rindge 20-20 project.

Projects underway:

**Rindge Broadband Initiative "RBI":** Gathering information on present and future options to provide cost effective broadband (high-speed internet connections) and data services throughout the town. Service availability information, including maps and cost information will be made available through the selectmen's office as a high priority.

**Economic Impact modeling:** Working in conjunction with the Business Department of Franklin Pierce College, a mathematical model will be created with the goal of finding out what the true effect is on the Rindge tax rate of growth and change in town. The Model will evaluate how changes, such as adding retail or commercial businesses, protecting open space, adding new homes and housing, to name a few, effect Rindge economically. The non-intuitive effects of several aspects of the tax system, such as the school funding formulas create the need for such a tool.

**Other Tools for Proactive Management:** At a recent meeting of the committee, the members present unanimously voted to recommend that the selectmen consider supporting a warrant article whereby the Town would vote to adopt the provisions of NH RSA 162-G. If adopted by the townspeople at town meeting, the Selectmen would then be permitted (at their option and discretion) to form an Economic Development Company to conduct business in the best interest of the town.

We are laying the groundwork for supporting the Selectmen and the Town to proactively facing the future. Toward that end the committee will have an interim Economic Development Plan by the fourth quarter of 2005 and a final report by 2006. Our goal as advisors is to improve the economic outlook of Rindge while maintaining the qualities that have brought us all together in this great community. To this end, the Committee welcomes all comments, suggestions and background information that the community at large may want to share with us.

Respectfully submitted,

John Strauss, Chairman

## INDEPENDENT AUDITOR'S REPORT

Board of Selectmen  
Town of Rindge  
Rindge, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Rindge, New Hampshire, as of December 31, 2003 and for the year then ended. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Rindge, New Hampshire, as of December 31, 2003 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Rindge, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

Respectfully submitted,

*Mason + Rich, P.A.*
